## CALL FOR PAPERS AND POSTERS

### Preparation of abstracts

Each talk and poster at the meeting (including invited speakers) will be supported by a written abstract. Please prepare a **500 word** abstract which gives details of the reason for the work, brief methods, a summary of results and the conclusions from the study. If possible, email the abstracts to Nick French direct or follow the following format for presentation. A copy of the abstracts will be available at the start of the meeting and so prompt supply of the abstract is essential.

Full Self-explanatory Title

All authors (indicate primary presenter with a superscript asterix)

Affiliation of authors with full postal address and email of primary presenter

Body of text in Times Roman 12 pt and fully justified. 500 words of text, single-spaced. Paragraphs indicated by inserting line. Include no more than 2 full references (titles, authors and reference as per the style of *British Poultry Science*). Inclusion of tables or figures in the body of the text should not allow the abstract to exceed 2 sides of A4 paper.

Please supply two printed copies of the abstract. If possible email abstract (including figures).

REFERENCES: ALL AUTHORS IN UPPER CASE (1999) Full title of paper. *Full journal title in italics*, **volume in bold**: page numbers start to end.

Please send all abstracts no later than **June 1st 2010**. **NO abstracts will be accepted after this date.**
