

INCUBATION AND FERTILITY RESEARCH GROUP
{WPSA Working Group 6 (Reproduction)}
2010 Meeting – TOURS, FRANCE
23rd August 2010

FIRST NOTIFICATION

We would like to invite you to this years meeting of the Incubation and Fertility Research Group {WPSA Working Group 6 (Reproduction)} will be held in the beautiful city of Tours, France on 23rd August, 2010 just before the European Poultry Conference 2010.

This meeting is for all those with an interest in incubation and fertility in all avian species. Previous meetings have covered a wide range of topics and already for this years meeting we have had offers of papers from:

- ✚ Dr Murray Bakst (USDA, Beltsville, USA): Storage and early embryo development
- ✚ Prof Peter Surai (Feed-Food Ltd, UK): Natural antioxidants and breeding birds: Lessons from nature and research
- ✚ Dr Edgar Oviedo (NCSU, USA): Incubation temperature and broiler leg health
- ✚ Dr James Wade (University of Manchester, UK): Cryopreservation of primordial germ cells.
(Titles are provisional at this time)

With this notification also comes the first call for papers. These can be either posters or 15 minute oral presentations - please use the attached form or email the information to Nick French. The final deadline for submitting a paper is 1st June 2010.

Further updates and information about the meeting will be posted on the websites:
<http://www.ifrg.org> and <http://www.ifrg.eu>

For those interested in also attending the EPC2010, more details can be found on

<http://www.epc2010.org>

If you would like to register your interest in attending this meeting please contact:
Dr Nick French: nfrench@aviagen.com
